

Senior Marketer - Financial Solutions

Position available in Zurich, Switzerland

Invescap is a Swiss-based investment management company specialized in the design, engineering and distribution of best of class financial solutions in the field of private lending. Established and recognized on the European market as a key market player, Invescap is now further growing its activities on the Swiss market.

As part of its Swiss development plan, Invescap is now hiring a Senior Marketer, with position located in Zurich, to develop its presence on the Swiss market.

Key Responsibilities:

- To be a key player in the distribution of financial solutions in the field of private lending offered by Invescap
- To actively grow Invescap's investor network with new qualified investors in and outside financial centres
- To actively develop and grow Invescap's assets under management
- To manage, realize and grow a sales pipeline of Swiss qualified investors.

Requirements:

- Extensive experience in the sales and distribution in the financial industry
- An established relationship network with Swiss qualified investors
- Adequate university education or equivalent
- Excellent communication skills orally and written
- Fluency in Swiss-German, German and English required
- Swiss citizen or holder of a Swiss permanent residency / valid work permit is essential.

Benefits:

- Invescap will offer to the best selected candidate a most competitive compensation level with associated benefits as well as exceptional career development opportunities.
